Secretary-Treasurer's Report

Dear SHF Sponsor:

In compliance with the Constitution of the Société Honoraire de Français, I am supplying you with the List of Active Chapters for 1975-76 as well as excerpts from Annual Reports. Please locate your school's name on this list and verify the sponsor's name. I need not remind you that all SHF sponsors must be members of the AATF for 1976.

Since our last Annual Report in 1975, seventy-four new chapters have been established and a few reinstated. You may now discover that a school near you has a chapter of the SHF, too. Keep dropping the SHF name to your colleagues and the number of charters will continue to grow!

Bonnes vacances!

Stephen Foster, Sec.-Treas.
Société Honoraire de Français

Excerpts From Annual Reports

Bishop O'Connell HS (VA), P. Pereira

French Conversation Club (within the society with a member in charge); reports on France by students of the Society; presentation of a literary program for the members of the Alliance Française of Washington (from Middle Ages to XX century: plays, poetry, music and songs); visit to the National Gallery (French painting)

Carbondale Area Jr-Sr HS (PA), F. Sabina

Viewing of "Toute la Bande" presented on Educational T.V., students watched the series and commented on French living and customs; we had an in-school bicentennial project "France's Contributions to America": students reported on early French explorers, Art, scientists, traced the route of several explorers, reported on French customs and language contributions.
Marian HS (PA), M. Heffelfinger

This year the officers mailed invita-
tions to the parents of the new members. Several parents were able to attend and were pleased with what they saw. The society members sponsored our weekly Mass which was celebrated in the auditorium. Parts of the liturgy were sung in French and Spanish. In preparation for the sing-
ing the various language classes were taught to sing at least one song in a lan-

Herbert W. Schroeder HS (NY), E. Newman

tuage different from the one that they are studying.

To begin this year's bi-lingual ceremony, the school orchestra played "Les Parapluies de Cherbourg." Initiated then entered to the music of "La Marseillaise". Monsieur Robert Ménendès spoke on the topic "200 Year of Franco-American Friendship" to com-
memorate the U.S. Bicentennial.

Notre Dame HS (NJ), G. Bryan

In November, the Society became involved in Notre Dame HS's Language Week. We were responsible for "French Day", and planned a bake sale, a special meal in the school cafeteria and provided French music that played during all lunch periods. We also sponsored a Poster Contest and hung the entries all over the school.

South Brunswick HS (NJ), G. Wiernik

A trip to the Cloisters Museum on May 4. Students will visit the galleries with a French-speaking guide and participate in a fresco-making workshop.

Northwest HS (NB), D. Koslowske

SHF members made santons and a stable and set up a crèche scene for the other students at Christmas time. A Tour de France is sponsored for the whole school in May. A large bouquet of flowers and a prize is awarded to the winner. A second prize is also awarded and a booby prize, such as rubbing oil for sore muscles.

Braintree HS (MA), L. Grassie

In February, some of the members participated in the student exchange to France. For three weeks, fifteen students lived in the town of Nantes. When they returned, they shared with the club pictures and slides and the many interesting stories of their trip. About one month later the students from France came to Brain-

tree for their three weeks.

Triton Regional HS (MA), L. Mercaldi

The Foreign Language Department participated in National Foreign Lan-

The Société participated in a cul-

guage Week. The SHF initiated many activities. There was a cheese tasting party two days during the week, panel discussions were held where other students, faculty members and administration also participated. The Société participated in a cultural awareness game.

John Carroll School (MD), Sr. J.

Cianfroga

Students in the Society traveled to Philadelphia on March 27 to attend the Drama Guild's presentation of Molière's play, The Miser. A tour of the historic city, lunch at a French restaurant, and a visit to a French bakery highlighted an already exciting day.

Henry Clay HS (KY), P. Terpstra

Gail Ravin left in March to represent Lexington in an exchange program with our sister city, Deauville. Deauville was able to reciprocate by sending two students to Lexington. Another unique element of our group this year is Liem Le, a Vietnamese refugee. His French background has widened our horizons and helped us to see a different dimension of French influence.
Marquette HS (IL), Sr. M. Pillion

The first week of May the students will participate in the exam we call the Père Marquette Exam. One hundred dollars will be given in prizes to top scorers.

Miami Coral Park Sr. HS (FL), Y Kellogg

This year we had a marvelous Christmas party for 45 Migrant Camp children from 2 to 4 years of age. For weeks we gathered toys, books and held a "Bake Sale" after and before school to make money for added gifts for these children.

Gainesville HS (FL), L. Hodges

To raise money for the Congrès de la Culture Française en Floride and a trip to Disneyworld, students participated in bake sales, car washes, sold candy and perfume. Blue t-shirts with either a white Eiffel Tower and Le Cercle Français or a Snoopy design "Embrasse-moi. Je parle français." were ordered by many members this year.

Archbishop Carroll HS (DC), R. Beckett

In March, SHF members traveled to George Washington University to see a play and movie. The play was entitled "Le Petit Prince" in which students from Boston University displayed excellent acting abilities. The movie was called "The Red Balloon." To show our support for the school play, the SHF contributed an ad in the program.

James Ford Rhodes HS (OH), E. Pfunder

Several members attended the movie, "Le Monde s'en vient à Québec," sponsored by the Maison Française of Cleveland, which was held at Cleveland State University in March 1976.

Maury HS (VA), M. Kellogg

We are planning to participate in the annual kermesse or French Fair on May 15. The club will present a booth on

the topic "The Influence of French cooking on American Food," sell cokes and also sell a mini-cookbook on the same topic.

Evansville Day School (IN), J. Holman

During a meeting we had an "open air market" game in which the winner is the student having completed a well-balanced menu for the week with the smallest amount of money.
